specifications

TARIC code: 85044095
net weight: 0.077 kg
Number of Connections: 2
Number of charging ports: 1

Output 1: Wireless Charging | 15W
Mounting type of bracket: pressure clamp for ventilation grille | Adhesive
Particularities: Magnetic attachment | Qi-Charger | UltiMag ring included in set
input: USB-C
Input voltage: DC 5V/3A, 9V/2.22A
Colour: grey
Frequency range: 110-360 kHz
Warranty period: 24 months
Main output type: Wireless Charging
Main Output Maximum Power: 15W
Compatible with MagSafe: Yes

Compatibility: Universal | Smartphone
Material: Acrylonitrile butadiene styrene (ABS) | Aluminum | Glass
Maximum power: 15W
Product Type: Car holder with Qi charger
Fast Charge Protocol: Magnetic Power Profile (MPP) | Extended Power Profile (EPP) | Baseline Power Profile (BPP) | Samsung Proprietary Power Delivery Extension (PPDE)
Protection circuits: Yes
Packing: Retail packing with euro hole
