specifications

TARIC code:	85044083
net weight:	0.118 kg
Number of Connections:	4
Number of charging ports:	2
Output 1:	USB-C 65W DC 5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/3.25A
Output 2:	DC 5V/0.5A USB-A 2.5W
Output 3:	HDMI
Particularities:	4K supported GaN technology Rounded edges
Data transfer rate:	5 Gbit/s
input:	US Plug (Type A) Euro plug (Type C)
Input voltage:	AC 220-240V, 50-60Hz, 1.5A
Warranty period:	24 months
Main output type:	USB-C
Main Output Maximum Power:	65W
Compatibility:	Nintendo Switch Universal Laptop Smartphone Tablet Smartwatch
Material:	Polycarbonate (PC)
Product Type:	Wall charger
Fast Charge Protocol:	USB Power Delivery 3.0
Protection circuits:	Overvoltage protection, discharge protection, overcharge protection, short-circuit protection
Series:	GaN Flex
Packing:	Retail packing with euro hole
