specifications

TARIC code:	85044095
net weight:	0.212 kg
Number of Connections:	2
Number of charging ports:	1
Output 1:	Wireless Charging 25W
Particularities:	Magnetic attachment
input:	USB-C
Input voltage:	DC 5V/3A, 9V/3A, 12V/3A, 15V/3A
Colour:	space grey
Frequency range:	110-365 kHz
Warranty period:	24 months
Main output type:	Wireless Charging
Main Output Maximum Power:	25W
Compatible with MagSafe:	Yes
Compatibility:	Smartphones mit Qi
Material:	Polycarbonate (PC)
Product Type:	Wireless Charger
Packing:	Retail packing
